What is #actionforhappykids?

“Action for happy kids” Video Award is an initiative by Theia International e.V. . to give kids a voice in these times of changes and uncertainty. The kids make 1-minute videos where they answer four questions regarding their idea of happy world they would like to live in. We address kids from 5 to 18 years. The questions are: 1. What's your first name and age and where are you from (Country)? 2. Imagine YOUR favorite happy place, how would it look like? 3. Imagine a happy world - what should definitely be in there and what not? 4. What would YOU do to make the world a happy place for kids? The videos will be published on our social media channels (youtube, facebook, Instagram, on our website and will be part of the awards selection.
